TO WHOM IT MAY CONCERN:

Our association with Pollock & Sons Crane Hire Ltd began in April 2008 when the company first commenced in Mt Maunganui.

In this time, we have found them to be one of the most efficient, knowledgeable and safety conscious companies that we have had the pleasure in dealing with.

Wayne, Steve and their team have considerable knowledge of the crane industry and this is shown every time one of their crew steps onto a CMA site. Health and safety is an issue which we as a company take seriously and it was obvious to us that Pollock & Sons Crane Hire also strive to make sure the work environment is safe at all times.

We have no hesitation in recommending Pollock & Sons Crane Hire as our preferred crane supplier.
