To whom it may concern,

Harkin Roofing BOP Ltd has had an association with Pollock cranes since they were established here in the Bay of Plenty.

We find their service outstanding. They ensure that they are onsite when required and the work is carried out in a safe and timely manner.

I would happily recommend them to other organizations as their service is second to none.

Any questions you may have regarding this matter, I can be contacted on the above number.

Yours faithfully

HARKIN ROOFING BOP LIMITED

Chris Bynex
