

## NEW ZEALAND MARSHALLING & STEVEDORING LTD

To Whom it may Concern

POLLOCK & SONS CRANE HIRE

I have known Rex for a number of years the standard of work has always been of the highest quality and the ethics never vary

As a company we hire Pollock Cranes on a regular basis to work vessels at the Port of Tauranga, there are many variables this type of work but it is never a problem for there company

Safety is always of the highest standards

The quality of drivers is well above standard, they adhere to all safety requirements and never waver from the rules

Myself and my work partners would recommend Pollock Cranes before any other company because of the high standards they set for themselves

Signed
