Dear Rex, Sheryl, Steve & Team,

We wish to thank you for sponsoring TJ and his ongoing commitment to Inline Hockey. The money you have given will be used to replace playing equipment that is wearing out and needs to be upgraded. Unfortunately this happens far too often so it is very timely your sponsorship has been received.

As indicated earlier, if you have a small company logo in sticker form or a cotton type larger badge, TJ will happily wear it on either playing gear or on his hockey gear bag.

Thank you again for your support.

Yours truly,
